Our Goal:

Connecting people to experience
different perspective of the world and
community

The Problem

People eating alone

Talking to a limited amount of people everyday

A close-up photograph of a person's hand holding a purple marker, drawing on a whiteboard. The background is blurred, showing some bokeh lights. The text 'The solution' is overlaid in white on the left side of the image.

The solution

Meet 2 Eat as a social media platform can let the users share their experience and meeting different people

Target Customer

Mostly Focus on Adults or age above 18 since these users have better financial status to frequently meet people and eat in the restaurant

Main Features

Post

People posting photos and share their experience with comments

Table

People create tables in the lobby or join others table to meet and eat in the restaurant

Profile

User can change their profile information and show their ranking status

Future Development

A high-angle, dark photograph of three people sitting on a wooden deck. The text 'Future Development' is overlaid in the top left, and a list of items is overlaid on the left side.
